

Gossip of the Shooters, Tennis Courts and the Track

PURDUE HAS A STRONG TENNIS ASSOCIATION

Team Soon Will Be Chosen to Participate in the State Tournament.

INTEREST IN THE SPORT

Purdue Does Not Count on Winning the Match with Chicago—Other Meets.

Special to the Indianapolis Journal.

LAFAYETTE, Ind., May 14.—With a strongly organized tennis association, new courts laid out on the campus and a score of fast players strutting for positions on the team, Purdue University expects to win honors with the racquet this year. Never before in the history of the school has such an interest been taken in this branch of athletics, which now rivals in popularity both baseball and track athletics. Interest in the game is not confined to the male students, the co-eds having a representative on the board of officers of the association as well as a number of skilled players who will have a dual intercollegiate meet of their own within a few weeks. The Purdue Tennis Association is an entirely new organization composed of nearly seventy-five enthusiasts, nearly a dozen of whom are girl students. Frederick D. Ritter, of Michigan City, president of the association, is one of the strongest candidates for the team. He was one of the prime movers in the organization of the association. Miss Ethel M. Spaulding, the secretary, whose home is in Woodstock, Conn., was given the office she holds because of her great interest in the game and because of her prowess with the racquet. She is a member of the junior class and one of the most popular co-eds in the university. She was the leader in the movement to organize a girls' team and will herself be the strongest player on the team. Charles S. Rauh, of Indianapolis, the strongest candidate for the team, is the active head of the association, having charge of the intercollegiate meets and making all the necessary arrangements. Mr. Rauh is one of the most skilled players and will probably make the team. J. G. Kirby, of Jacksonville, Ill., is treasurer.

To-day the candidates for the team played the opening games in the tournament, the outcome of which will determine who shall represent Purdue in the dual match with the University of Chicago team on May 19 and 20, in the state tournament to be held in Indianapolis June 5, and in the dual match with some Indiana college not yet decided upon to take place during the week at Purdue. The strongest candidates for the singles are Charles S. Rauh, Indianapolis; J. C. Good, of Kansas, champion of Northwestern University in 1902; G. H. Rudy, of Indianapolis; Marshall Dunning, Rochester, N. Y.; D. Ritter, of Michigan City; A. Whitte, of Martinsville, and J. G. Kirby, of Jacksonville, Ill. It is probable that either Rauh, Ritter or Kirby will make the singles. The strongest candidates for the doubles are Rauh and Rudy, Kirby and Dunning, Puryear and Whitte and Ritter and J. E. Pindexter, of Jacksonville. These teams are about evenly matched, and it will be a close contest to decide who will represent Purdue. Besides these candidates there are many others out for the team.

Purdue does not count on winning the contest with Chicago on account of the short time the men have been practicing. The new courts not having been in condition long. In the state tournament the local players expect to make the best showing ever made by Purdue tennis players. The state meet, which will be held at Butler College on June 5, will bring together the best college tennis players in Indiana. The competing colleges will be Wabash, De Pauw, Earlham, Butler, Ellettsburg, Indiana, Rose Polytechnic and Purdue. A pennant will be awarded to the winning team. A special insignia will be conferred upon the Purdue Tennis Association upon those players who represent Purdue in the various meets. Indiana probably will be the team to clash with Purdue during the week.

Great interest is being manifested in the co-ed team, which is to be picked from the various girls who are hard at work on the courts. Miss Spaulding is the most expert player among the girls, and will arrange a dual contest with the girl players at Indiana University. The other leading co-ed tennis players at Purdue are Misses Bertie Latta, Mary Simms and Bernice Nelson. The match with the I. U. girls will be played early in June.

PRINCETON, N. J., May 14.—Princeton defeated Columbia in the dual track meet here to-day—44½ to 34½. Princeton showed superiority in field events, while Columbia's strength was in the dashes.

LUCIAN WINS MEMORIAL STAKES AT DELMAR PARK

Favorite Beaten by a Length in Feature Event—Long Shot Captures Last Race.

ST. LOUIS, May 14.—The Lucas Memorial selling stakes drew the largest attendance at the Kinloch meeting at Delmar to-day. Twenty-one books were kept busy handling money. Lucian, a St. George-Mafia colt owned by J. L. Johnson, won the event. Charlie Thompson, the favorite, was first to get away, followed closely by Lucian. Grand Opera, which was heavily played to win the event, fourth, and Bugler fifth. Lucian gradually closed the race and after rounding into the stretch and passed the wire a winner by a length from Charlie Thompson. Grand Opera could not stand Bugler's challenge on the end and unluckily outside the money. The stake is worth about \$2,500 to the winner. Tanager, well played, won the last event at the good price of 15 to 1. Summaries:

THREE DERBY CANDIDATES IN FIRST EVENT AT WORTH

Peter Paul Pulls Up Lame, Beaten by Floral King and Monastic.

CHICAGO, May 14.—Peter Paul, the Derby candidate of the Bradley stable, ran his first race this season on a Western track at Worth to-day, and the best he could do was third to Floral King and Monastic, also Derby candidates. Peter Paul pulled up lame and left the track limping. He raced to-day with a protesting plate over his bruised heel, and it is probable that this wound was reopened. Bradley said, however, that it was not serious and would not keep him from preparing the three-year-old for the American Derby.

The race was won easily by Floral King, the 6-to-5 favorite, while Monastic, the second choice at 3 to 1, had all he could do to beat Peter Paul a nose, and that through Henry's superior finish over Sherwood. Peter Paul was well played, opening at 4 to 1 and closing at 7 to 2. Weather cloudy and track fast. Summary:

First Race—Five furlongs: Floral King, 115 (Larsen), 6 to 5; second, Monastic, 112 (Henry), 3 to 1; third, Peter Paul, 112 (Sherwood), 7 to 2. Time, 1:07.

Second—Five furlongs: Luzarion, 112 (Nichol), 7 to 10; second, Modred Law, 109 (Oliphant), 5 to 2; third, One Way, 109 (Haskell), 10 to 1. Time, 1:31.35.

Third—Five furlongs: Delagow, 116 (Henry), 5 to 1; second, Never Fret, 114 (J. Sheehan), 3 to 2; third, Typhonic, 105 (Larsen), 12 to 1. Time, 1:30.25.

Fourth—One and one-eighth miles: Huz-zah, 103 (McIntyre), 5 to 1; second, Dan McKenna, 105 (J. Sheehan), 14 to 5; third, Galfin, 105 (J. Booker), 12 to 1. Time, 1:53.25.

Fifth—One and one-half miles: Compass, 95 (C. Harris), 7 to 1; second, Little Elkin, 97 (Nichol), 2 to 1; third, Potheen, 106 (Fischer), 4 to 1. Time, 2:28.45.

Sixth—One mile: Thane, 112 (Oliphant), 3 to 1; second, Satchel, 104 (McMullen), 5 to 1; third, Time, 1:34.25.

FELIPE LUGO, 20 TO 1, WINS BIG HANDICAP

Moharib, Derby Winner, Played as Favorite, Fails to Finish Inside the Money.

KANSAS CITY, May 14.—Felipe Lugo, the son of Amigo, a 20 to 1 shot, romped home an easy winner in the Missouri handicap at Eldorado Park to-day. Moharib, the Derby winner, a prohibitive favorite, failed to land inside of the money. Judge closed strongly and beat Military Man a nose for second money. Felipe Lugo's winning was due entirely to Lewis's fine riding. He went to the front at the start. He gained at every post, and there never was a stage of the race when he was in danger. The three-horse race between John Smoki, Alarab and Torpedo resulted in a rather easy victory for Smoki, the favorite, who set the pace all the way and won in a gallop. The card was a good one. Track fast. Summary:

First Race—Five furlongs: Elliott, 122 (J. Daly), 6 to 5; second, Captain Arnold, 117 (Robbins), 8 to 1; third, Time, 1:15. Second—Four furlongs: Frying Pan, 101 (Lewis), 3 to 1; second, Mary Prim, 105 (Fischer), 5 to 2; third, German, 101 (Lawrence), 8 to 1. Time, 1:07. Third—Five furlongs: selling: Joseito, 107 (Knapp), 2½ to 1; second, F. George, 104 (Robbins), 4 to 1; third, Pretension, 92 (Lewis), 2½ to 1. Time, 1:10. Fourth—The Missouri handicap, mile: \$1,500 added; Felipe Lugo, 106 (Lewis), 20 to 1; second, Judge, 113 (J. Daly), 5 to 1; third, Military Man, 112 (Knapp), 4½ to 1. Time, 1:43. Fifth—Five furlongs: John Smoki, 113 (Lewis), 6 to 5; second, Alarab, 102 (Lawrence), 4 to 5; third, Torpedo, 100 (Knapp), 10 to 1. Time, 1:30. Sixth—Four furlongs: Sweet Tone, 95 (Am-buchon), 3 to 2; second, Zella Knight, 96 (Lewis), 3 to 2; third, Durbar, 74 (McDaniel), 30 to 1. Time, 1:44.

OLONETZ WINS CUP RACE IN A SPIRITED FINISH

Fetter's Mount Beats Bellario by a Length—Favorite Captures Fehr Stakes.

LOUISVILLE, Ky., May 14.—A gentleman's cup race, a steeplechase and the Frank Fehr stakes were the attraction which drew 8,000 people to Churchill Downs to-day. The cup race furnished a spirited finish between Olonetz and Bellario, the former winning by a length. The Frank Fehr stakes was won by Henry Bert, the favorite. In the steeplechase Tacatara handily won the favorite, while Bright Girl, heavily played, fell and slightly injured her jockey, Brazil. Pendragon in the first race, beat Floriente, at 1 to 4, by a half length. Weather cool and track fast. Summaries:

First Race—Five furlongs: Pendragon, 105 (Munro), 4 to 1; second, Floriente, 105 (Heigelsen), 1 to 4; third, Green Gown, 102 (McMullen), 15 to 1. Time, 1:30. EAST IS WELL REPRESENTED IN AMERICAN DERBY ENTRIES

Official List Shows 119 Nominations for the Rich Classic to Be Run at Washington Park on June 18

CHICAGO, May 14.—The announcement of the entries for the stakes of the Washington Park Club, for which the turf world has been waiting anxiously for several weeks, was made to-day. They were held back, it is said, as a matter of policy. The showing is as gratifying to the club as that of last year. The total falls a little short of 1903, but none of the principal events has suffered; in fact, the class is regarded as superior. The American Derby, with which the premier meeting of the West will open June 18, closed with 119 nominations, as against 120 last year.

The entries in the seventeen stakes, compared with those of last year, are as follows:

American Derby	1904	1903
Lakeview Stakes	116	112
Sharon Stakes	116	112
Auburn Stakes	98	109
Englewood Stakes	55	44
Oakwood Handicap	119	120
Kenwood Stakes	114	120
Great Western Handicap	129	146
Quikstep Stakes	123	146
Drexel Stakes	116	104
Maywood Stakes	119	120
Midway Stakes	89	92
Young Handicap	119	112
Edgewater Handicap	119	112
Hyde Park Stakes	112	112
Lake View Handicap	123	112
Wheeler Handicap	123	112

The entries closed Feb. 25, and, although they have been closely guarded until now, there has been extant for a few weeks a fairly accurate idea as to the personnel and caliber of the Derby lot. It was accepted that a fair majority of the best three-year-olds in the country had been named, and such proved to be the case. Notwithstanding repeated failures, the East is more strongly represented than ever. W. M. Scheffel has entered Highball, the best of last year's two-year-olds, and Major Pelham, more than a useful three-year-old. E. K. Thomas, the owner of Hermis, is represented in the race by Stewart and Palmbecker. R. T. Wilson, who failed with The Parader, the Eastern choice in his year, comes back again, together with Dolly Spanker. Capt. S. S. Brown, of Pittsburgh, has entered Proceeds and Conjuror.

All the winners of the derbies that have been run this year are on the list. They include Bombardier, winner of the California Derby; Bill Curtis, winner of the Los Angeles Derby; Cestrich, winner of the Crescent City Derby; Proceeds and Conjuror, running one and two in the Tennessee Derby; Rainald, winner of the Cumberland Park Derby; and Elwood, winner of the Kentucky Derby.

The choice of the Western lot seems to center on English Lad, who, at his first time out, his season, gave weight and a beating to the seasoned campaigner Witful.

Not a two-year-old colt or filly that has shown a tinge of quality in the West this year is missing from the Hyde Park and Quikstep stakes. The Wheeler Handicap, the young handicap and the other all-aged events have filled well, although few Eastern horses have been named.

The Washington Park Club's meeting will open June 18 and continue as usual twenty-five days.

The following are the Derby entries:

The American Derby—A sweepstakes for three-year-olds; \$25 to accompany the nomination, \$25 additional to start; \$25,000 to be divided, of which \$3,000 to the second and \$2,000 to the third horse. A winner of a three-year-old stakes race, or a filly who has won or carried three pounds; or a winner of one of \$5,000, five pounds; or three or more years of \$1,000, the value of \$2,000 each, seven pounds extra. Maiden and seven pounds. To be run the first day of May, at 12:30.
